

20. Level 5 Boss:  
(In which Bethany confronts the gang for the last time!)

Reva arrives at the end of the dungeon with her friends.

Reva:

We're almost there, everyone! The party shall go on!

But ahead of them, Bethany appears like a stoic guardian.

Bethany:

Stop right there, witch!

Reva:

Oh! Betty! Just the girl I wanted to see!

Eek:

Eek! It's her!

Sybil:

I'd recognise that face anywhere.

Frankie:

Paladin...!

Gucha:

Noble Bethany...  
Champion of Righteous Light...!  
Scourge of all monsters!

Bethany:

What is the meaning of this?  
How *dare* you bring your vile congregation to the  
premises of the Temple of Righteous Light?  
Answer me, heathenous necromancer!

Reva:

Actually, Betty, that's just what I wanted to ask you.  
The party's become so big that my tiny cave can't fit it.  
I was wondering if you'd let us have it in your Temple!

Bethany:

Stop mocking me!

I am the Noble Bethany von Cumberwimple, Champion  
Paladin of the Temple of Righteous Light!  
And you will host your Black Mass upon these sacred  
grounds *over my dead body!*

Reva:

Awesome! You hear that, everyone?  
I told you she'd say yes!

Funnybone:

Reva, if there was any good time for you to shake free  
of your delusions, now would be that time!

Bethany:

I warned you before, Reva.  
I told you that the next time we met, I would bring the  
full force of the Temple of Righteous Light with me.  
And you have trespassed straight beneath its belly.  
I shall take that as a personal request of me, to purge  
the world of your presence.

Reva:

R-Really, Betty...? You wanna play now?

Bethany:

There will be no more playing.  
I am the Noble Bethany von Cumberwimple, Champion  
Paladin of the Temple of Righteous Light.  
And mark my words, you and your kin shall die here,  
by my blessed hand.  
Starting with you, witch - I shall suffer your  
insubordination not a second longer!  
Have at thee!

Gucha/EEK/Frankie/Sybil/Funnybone:

*Reva!*

[Begin final boss fight.]
